# The Callen Foundation

*"Helping Military Families In Need"*

## OUR MISSION

The Callen Foundation provides limited financial assistance to the families of current military families, families with a recently deceased military parent in a combat zone as well as those recently honorably discharged due to service related injuries. Through the efforts of our Board of Trustees, who are mainly ex-military veterans and our Business Partners we will attempt to raise as much money for the benefit of these families as possible.

## OUR GOAL

We provide our military families with 100% of all donations contributed to our Foundation. Less PayPal fees, the Callen family donates to cover all administrative expenses. Our focus will be on those families with the most urgent needs of day to day life such as late bill payments, food and basic living necessities primarily as a one-time gift however we may, on a limited basis, help those families in true dire need with ongoing help.

## WAYS WE CAN HELP

- Direct Financial Help
- Emergency Food Cards
- Emergency home repairs
- Emergency Baby Needs
- Basic Furniture and household items

## OFFERING SUPPORT

We hope that you will help us provide those military families seeking emergency assistance with the funds they require. Any contribution, regardless of size, will make a great difference for those facing great financial struggles. It is our true hope that you, after reading the stories of those needing assistance, will feel compelled, as we do, to offer a hand of hope to those families that are truly making the greatest sacrifice for our county and our freedoms.
